TO WHOM IT MAY CONCERN

This is to certify that Mr. Ayush Shukla, Acropolis Institute of Technology and Research has successfully completed the Winter Internship Programme with MyGov, the Government of India's Citizenship Engagement Programme, from 15th December 2019 to 15th January 2020.

The Internship consisted of undertaking various tasks in an online mode relating to Content, Analytics, Outreach and key flagship projects.

All tasks were completed and his performance in the internship was outstanding.

I wish him the best for all future endeavours.
